Human Resources Office
South Dakota National Guard
2823 West Main Street
Rapid City, South Dakota 57702-8170

Technician Job Vacancy Announcement Number: **58-13**

Position Title and Number:

Welder D1215000

Series, Grade:

WG-3703-10

Type Appointment:

Excepted: Warrant Officer/Enlisted

Location of Position:

CSMS #1, Mitchell, SD

Salary Range:

\$20.10 to \$23.47 per hourly

Open: **08 March 2013**

Close: 28 March 2013

Area of Consideration

1. All Tenure 1 (as defined in block 24 on the SF 50) Technicians of the South Dakota Army National Guard. Applicants must presently be a Dual Status employee or a Non Dual Status employee eligible for Dual status.

Instructions to Applicants

1. Individuals who meet minimum qualifications may apply on the Internet at

<https://www.usajobs.gov/GetJob/ViewDetails/339433600>

You will apply to job announcement **SDARNG-58-13 (855718)** and submit all the documents required by USA JOBS.

Note. Applicants are strongly encouraged to submit a separate sheet(s) addressing the Knowledge, Skills and Abilities (KSAs) and how they relate to work experience, education or training. Attached sheets must be uploaded to the application process online. Follow all procedures and instructions listed on USA JOBS.

2. Applications must be received on the Internet at USA JOBS no later than 24:00 HRS Eastern Time on the closing date.

Minimum Requirements for Consideration

General: Experience, education, or training which demonstrates the candidate's knowledge of characteristics of metals; metal heat treating; principals of welding and forging; use and capacity of welding equipment; shop drawing and mathematics; measurement and lay out devices; and safety practices regarding explosive gases and hazardous rays.

Specialized: 18 months experience in the knowledge, skills and abilities (KSAs) as listed below. Such experience is gained in a line of work similar or closely related to the work of the position to be filled. A maximum of 6 months of the required experience may be substituted by successful completion of undergraduate study in an accredited college or university at the rate of 30 semester hours for 6 months of experience. The education must have been in fields directly related to the type of work of the position to be filled:

- Ability to perform welding processes using electric, acetylene, and/or inert gas welders.
- Ability in using sheet metal tools and equipment such as a bender, press roller, shear and band saw.
- Ability to use templates, jigs, and other guides to make repairs and fabricate metal items.
- Ability to read and interpret blueprints and sketches.
- Knowledge of Shop Safety Rules and Regulations.

Compatibility Requirements

Selected individual must be assigned to a compatible military position in the following MOS/AOC within ninety (90) days of effective date of hire Warrant Officer: WOBR 91 series; Enlisted: ECMF 91 series. Military grade inversion within the full-time work force is not permitted. The military grade of the full time supervisor must equal or exceed the military grade of personnel supervised.

Summary of Duties

The purpose of this position is to perform a variety of welding in support of maintenance activities to include using electric, acetylene, and/or inert gas shielded welding processes, pre-heating, brazing, head welding, tack welding, flame cutting, pressure welding, and heat treating.

Miscellaneous

1. A complete description of duties and responsibilities can be found in the Position Description available at the Human Resources Office at Camp Rapid or at the position assignment location.

2. If you have questions or need additional information about this announcement, contact the Personnel Staffing Specialist, (605) 737-6659/DSN 747-6659, at the Human Resources Office in Rapid City.
